Class Of 1985

The class of 1985 was unlike any other in Monte's history. We had a lot of good times and a couple of bad. Our Freshman year started in the fall of 1981. We were 127 strong and full of Monte Pride. During this first year of high school, we went to King bowl V, placing 2nd in the state. We also went to state competition in basketball. The band also did well; they went to the Kingdome competition, as well as to Wenatchee's Apple Blossom Parade. The Freshman officers were: Pres.: Benny Valentine, V. Pres.: Kathy Schilling, Treas.: Kyle Phillips, Sgt. of Arms: Dan Ackley, A.S.B.: Laura Hilboki, Secretary: Michaela Duggins.

Before we knew it, the dreaded Freshman year was over. Those 3 months of summer slipped away faster than expected and we found ourselves back in school.

The fall of 1982 found 119 sophomores entering M.H.S. We had Pres.: Kathy Schilling, V. Pres.: Brendan McCarroll, Sec.: Michaela Duggins, A.S.B.: Brenda Briscoe, Sgt. of Arms: Dan Ackley, and Treas.: Joe Ness to lead us through the year that found most of us getting our drivers licenses or our first part time jobs. In athletics, we excelled in football. We went straight into the playoffs, but lost a heartbreaker to Port Townsend. The Band continued to do a good job by winning the Sweepstakes trophy at Loyalty Day in Long Beach, and winning first at O.S.U. Band Day.

But soon the Sophomore name was no longer used to identify us,- we were then known as Juniors.

The ones to lead us through the year before becoming seniors were: Pres.: Joe Ness, V. Pres.: Kathy Schilling, Treas.: Robyn Pullar, A.S.B.: Laura Hilboki, Sec.: Michaela Duggins, Sgt. of Arms: Dan Ackley. It was hard for them to lead the 121 of us, but they did. During this year the football team did what they had always dreamed of: they went to Kingbowl VII and proved to be State Champions by beating Riverside. This year also saw the birth of Softball and Baseball which many in the Class of 1985 were involved.

In the spring, the annual Jr. Sr. Ball court saw 6 Juniors on it. They were: Scott Springer, Lisa Norberg, Jogn Herzog, Laura Hilboki, Prince Keith Barber and Princess Heather Maclean.

As soon as school was over it seemed like an endless summer before the start of our senior year.

Being a senior was a long time goal for all of us. It was hard to imagine that we were finally Seniors. Leading us through the last year of high school were: Pres.: John Herzog, V. Pres.: Darrin Neathery, Treas.: Kathy Schilling, Sec.: Heather Maclean, A.S.B.: Laura Hilboki, and as our four year Sgt. of Arms: Dan Ackley. These weren't the only leaders in our school: we had Heather Maclean-Girls League Pres., Adele Rottle-Pep Club Pres., John Herzog-Letterman's Club Pres., Gavin Thornton-Superband's Drum Major, Brenda Briscoe-G.A.L. Pres., Troy Stillwell-Pres. of F.F.A. (Our schools largest club), Scott Springer-Honor Society Pres., David Wilson-A.S.B. Pres., and the class of "85" had 4 senior cheerleaders showing their Monte Pride and spirit.

This year saw the football team make it to the Tacoma Dome to play in the Semifinals. The Boys Basketball team went to Districts, as well as the Girls Basketball team (It was the 2nd time in Monte history that the girls have went). The girls were 1 game from state competition. The Boys Tennis Team surprised everyone by placing 2nd in state, first in doubles. The doubles champs were Jim Raykowski and Albert Chang. We also had seniors going to state inTrack. Mike Campbell was the district champ of the 2 mile.

Homecoming had 12 Seniors on the court. Albert Chang, Darrin Neathery, John Herzog, Ken Mills, Rick Coma, Dianne Somero, Brenda Briscoe, Debbie Henson, Laura Hilboki and Lisa Norberg were the senior Prince and Princesses. Keith Barber and Heather Maclean were chosen King and Queen.

On April 27, the Jr. Sr. Ball court chose 6 seniors. They were: David Wilson, Brendan McCarroll, Steve Dahlstrom, Amy Torrens, Julie Hilboki, and Terri Brumfield. From these Seniors David and Julie were chosen King and Queen.

The month of May was a busy one for Seniors. May 16 was the Honors Banquet, May 24, Senior Skip, Baccalaureate was May 29 and finally on May 31, 98 Seniors Graduated in the 93rd annual commencement exercises.

Girl's Tennis Competes In First

With a little over half the 1984 Tennis season's practices in the rain, Coach Underwood summed up the season by bringing rubber boots and an umbrella to the Bulldog banquet at the end of the season. Varsity singles players Julie Daileda, Karyn Criswell and Evonne Swearingen had to groove their groundstrokes to the wet and heavy rainsoaked conditions. Doubles players Lisa Aubuchon, Lisa McNair and the sister combination of Angie and Tina Fillo rallied to reign at Varsity. J.V. players; Heather Bachtell, Jill Cole, Kyla Dickinson, Mindy Gillespie, Katie Grove and Trina Piponius found the occasional downpour of applause by the football team a new condition to weather. "Our 'Game' example 'Set' us up for our toughest 'Matches.'" quipped the fifteenth teammate.

Girls Basketball Team

Coach Coma's opinion of the Girl's Basketball season was that it was a vast improvement over last years season. Their league record was 5 and 3 and finished in a 2nd place tie. This placing enabled them to go to districts. It was the 2nd time in Monte history that the girls have went. They had a 2-2 record at districts, just being edged out of state competition.

Coach Coma also had high regards for the seniors leaving the team. Debbie Henson was Monte's all time leading scorer, while Lisa Norberg added her strength as starting guard. The other seniors were also big contributors to the teams success, but he added that next years team will be very competitive.

Hillbilly Tolo 1985

All who went to the annual Hillbilly Tolo had a good ol' time as they hoe-downed to the music of Dance Connection. At 8:00 March 8 the night was calm but the hillbillies were shakin' the barn as the dance got underway. Brenda Briscoe and Troy Stillwell munched their way to royalty in a race of eating corn on the cob without hands and became Hillbilly King and Queen of '85. For remembrance of their last tolo as Senior, all received straw hats in farm-fashion style.

Brenda and Troy receive awards.

You've been there when I've cried
You've been there when I've smiled
And now I want to say in a very special way — I Love You.
You've held me as a babe
And now you've watched me grow
And now I want to say in a very special way — Mom, Thank You
You've brought me along
You've made me feel strong
So that I can face the world
Unafraid of the changes to come
It's time now for me to go
But I want you to always know that deep in my heart
You'll always be a part of me
Though I'm apt to change
There's one thing that won't change
I LOVE YOU!!

Everything but the squeal!

At one time our forests became mainly lumber. But now, as every man, woman, and child in our country uses the equivalent of a 100-foot tree every year, the products from our forests come in a variety of forms.

Our wood and wood fiber are glued and pressed into many building materials — from beams to panels. From our pulp come paper and packaging, melamine, film, fabrics and food extenders.

Then there's energy, in the form of compressed fireplace logs and charcoal. Using the squeal? We get close, because even manufacturing scraps are used to generate energy — and the scraps are called "hog fuel."
